Section 2. Delegation of Use. Any Owner may delegate, in accordance with the By-laws, his right of enjoyment to the Common Area to the members of his family, his tenants, or contract purchasers who reside on the Property.

ARTICLE III

Membership and Voting Rights

Section 1. Membership. Every Owner of a Lot which is subject to assessment shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment.

(ii) Four (4) years from the date of recordation of the Deed of Dedication or Supplemental Declaration for such annexed property.

ARTICLE IV

Covenant for Maintenance Assessments

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, (2) Services Assessments, and (3) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the Lot (including all improvements thereon), and shall be a continuing lien upon the Property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The annual assessments and Services Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Property and for the improvement and maintenance of the Common Area and easement areas.

Section 3. Basis and Maximum of Annual Assessments. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be Seven Hundred Dollars (\$700.00) for Class A members, other than Participating Builders. The Class B member and Participating Builder shall pay 25% of the Class A member assessment and the Class B member covenants and agrees to fund any budget operating deficits until the Class B member (Declarant) has conveyed 75% of said Lots to Owners, (other than Declarant and Participating Builder). Notwithstanding the foregoing, Declarant and Participating Builder shall pay full assessments on all Lots owned by Declarant and Participating Builder upon which a dwelling unit has been completed and is occupied.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased by the Board of Directors, without a vote of the Class A membership, by an amount equal to ten percent (10%) of the maximum annual assessment for the preceding year plus the amount by which any ad valorem real estate taxes and insurance premium payable by the Association have increased over amounts payable for the same or similar items for the previous year.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above ten percent (10%) by vote of at least two-thirds (2/3) of each class of members who are voting, in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may from time to time fix the annual assessment at an amount not in excess of the maximum.

(d) The amount of the Services Assessment shall be determined by the Board of Directors for all of the Lots in each neighborhood or section of the Property as such sections are shown on recorded subdivision plats, according to the estimated cost of providing services or rights of use to the Lots in such section which services or rights are not enjoyed by all of the members of the Association and are primarily for the benefit of the members owning Lots in such section. The amount of a Services Assessment shall be the same for each Lot in any section according to the number of Lots located within such section but need not be uniform with the Services Assessment imposed upon Lots in other sections.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of at least two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for any Action Authorized Under Section 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than thirty (30) days not more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Except as otherwise provided in Section 3 of this Article IV, both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected in advance on a monthly or quarterly basis. Services Assessments shall be the same for each Lot within a section of the Property, as set forth in Section 3(d) above, and will be collected in installments as determined by the Board.

Section 7. Date of Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of any portion of the Common Area to the Association. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a

reasonable charge, furnish a certificate signed by an officer for the Association setting forth whether the assessments on a specified lot have been paid. A properly executed certificate of the Association with the status of assessments on the Lots shall be binding on the Association on the date of its issuance.

Section 8. Effect of Non-Payment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall be assessed a late fee and shall bear interest from the due date at a rate of ten percent (10%) interest per annum or such greater amount as may be determined by the Board of Directors. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot (and all improvements thereon). No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage or deed of trust foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. No amendment to this Section shall affect the rights of the holder of any first mortgage on any Lot (or the indebtedness secured thereby) recorded prior to recordation of such amendment unless the holder thereof (or the indebtedness secured thereby) shall join in the execution of such amendment.

Section 10. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments created herein:

- (a) all properties dedicated to and accepted by a local public authority;
- (b) the Common Area; and
- (c) all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the Commonwealth of Virginia, provided that no land or improvements devoted to dwelling use shall be exempt from said assessments.

Section 11. Reserves for Replacements. The Association may establish and maintain a reserve fund for replacements of the Common Area by the allocation and payment monthly to such reserve fund of an amount to be designated from time to time by the Board of Directors. Such fund shall be conclusively deemed to be a common expense of the Association and may be deposited in any banking institution, the accounts of which are insured by any State or by an agency of the United States of America or may, in the discretion of the Board of Directors, be invested in obligations of, or fully guaranteed as to principal by, the United States of America. The reserve for replacements of the Common Area may be expended only for the

purpose of effecting the replacement of the Common Area, major repairs to or replacement of any equipment, and for start-up expenses and operating contingencies of a non-recurring nature relating to the Common Area. The Association may establish such other reserves for such other purposes as the Board of Directors may from time to time consider to be necessary or appropriate. The proportional interest of any member in any such reserves shall be considered an appurtenance of his Lot and shall not be separately withdrawn, assigned or transferred or otherwise separated from the Lot to which it appertains and shall be deemed to be transferred with such Lot. Reserve Funds may be drawn from annual assessments or Services Assessments.

Section 12. Initial Working Fund. The Board of Directors shall levy an "initial" assessment against the Owner of a Lot other than a Participating Builder who is a Class "A" member at the time of conveyance. Such initial assessment shall be in an amount equal to two (2) months of the initial Annual Assessment, and shall be used for commencing the business of the Association or any other purpose established by the Board of Directors.

ARTICLE V

Architectural Control

Section 1. Building Restrictions. No building, fence, wall or other structure shall be commenced, erected or maintained upon the Property, nor shall any exterior addition to or change or alteration therein be made (including change in color) until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Review Board ("Review Board").

Section 2. Composition of Review Board. The Review Board shall be comprised of three (3) or more members appointed by the Board of Directors. Members shall serve staggered three (3) year terms as determined by the Board of Directors. Members of the Review Board may be removed by the Board of Directors with or without cause. Appointments to fill vacancies in unexpired terms shall be made in the same manner as the original appointment.

Section 3. Officers. At the first meeting of the Review Board following each Annual Meeting of Members, the Review Board shall elect from among themselves a Chairman, a Vice Chairman and a Secretary who shall perform the usual duties of their respective offices.

Section 4. Duties of Review Board. The Review Board shall regulate the external design, appearance and locations of the Property and improvements thereon in such a manner so as to preserve and enhance values and to maintain harmonious relationship among structures and the natural vegetation and topography. In furtherance thereof, the Review Board shall:

(a) Review and approve, modify or disapprove, within forty-five (45) days, all written applications of Owners for improvements or additions to Lots or for modifications and changes to the improvements to the Lots. All applications not acted upon within forty-five (45) days shall be deemed approved;

(b) Periodically inspect the Property for compliance with architectural standards and approved plans for alteration;

(c) Adopt architectural standards subject to the confirmation of the Board of Directors;

(d) Adopt procedures for the exercise of its duties; and

(e) Maintain complete and accurate records of all actions taken.

Section 5. Appeal. Any aggrieved party may appeal a decision of the Review Board to the Board of Directors.

Section 6. Declarant Exempt. Notwithstanding any provision of this Declaration to the contrary, the provisions of this Article V shall not be applicable to the Declarant or any part of the Property owned by the Declarant, or to any Lot owned by a Participating Builder provided that the Declarant shall have first approved the plans of the Participating Builder in writing.

ARTICLE VI

Use Restrictions

In addition to all other covenants contained herein, the use of the Property and each Lot therein is subject to the following:

Section 1. The Lots shall be used for residential purposes exclusively, and no building shall be erected, altered, placed or permitted to remain on any such Lot other than one used as a single-family or townhome/townhouse/single family-attached dwelling. Nothing contained in this Article VI or elsewhere in this Declaration shall be construed to prohibit the Declarant or Participating Builder from the use of any Lot or dwelling, or improvement thereon, for promotional or display purposes, or as "model homes," a sales office, or the like.

Section 2. Except as may be permitted by Section 1 of this Article VI, no part of the Property shall ever be used or caused to be used or allowed or authorized in any way, directly or indirectly, for any business, commercial, manufacturing, mercantile, storing, vending or other such non-residential purposes, except Declarant and Participating Builder may use the Property for model home sites and display and sales offices during the construction and sales period.

Section 3. No sign or billboard of any kind shall be displayed to the public view on any portion of the Property or any Lot, except the permanent entrance sign and one (1) sign for each building site, of not more than eighteen inches (18") by twenty-four inches (24"), advertising the Property for sale or rent, except signs used by Declarant or Participating Builder to advertise the Property during the construction and sales period.

Section 4. No noxious or offensive activity shall be carried on upon any Lot or any part of the Property, nor shall anything be done thereupon which may be, or may become, an annoyance or nuisance to the neighborhood, or which shall in any way unreasonably interfere with the quiet enjoyment of each of the Owners of his respective dwelling unit, or which shall in any way increase the rate of insurance.

Section 5. No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other out-building shall be used on any Lot at any time as a residence either temporarily or permanently. Except for Declarant's or Participating Builder's construction or sales purposes, no trailer, or similar equipment shall be permitted to remain upon the Property.

Section 6. No commercial, industrial or recreational vehicle (including boats) shall be parked on the Property without the written consent of the Board of Directors. No motorized vehicle may be used or maintained on the yards or sidewalks of any Lot or Common Area and no unlicensed vehicles are allowed on the Property. The Board of Directors shall have the right to tow any improperly parked vehicle or any vehicle, the keeping or parking of which in the Common Area violates this Declaration upon forty-eight (48) hours' notice.

Section 7. The Board of Directors shall have the right to tow any junk vehicle or other vehicle on which current registration plates are not displayed, which is within any Lot or on any part of the Common Area upon forty-eight (48) hours' notice. The repair or extraordinary maintenance of automobiles or other vehicles shall not be carried out on any of the Lots or Common Areas.

Section 8. No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot, except that dogs, cats or other household pets may be kept on the Lot subject to such rules and regulations as may be adopted by the Association and provided they are not kept, bred or maintained for any commercial purpose, or in unreasonable numbers. Notwithstanding the foregoing, no animals or fowl may be kept on the Property which result in an annoyance or are obnoxious to residents in the vicinity. Pets must be leashed while on the Property and all pet waste collected and disposed by the Owner.

Section 9. All rubbish, trash and garbage shall be regularly removed from the Property, and shall not be allowed to accumulate thereon. All clotheslines, refuse containers, wood piles, storage areas and machinery and equipment shall be prohibited upon any Lot, unless obscured from view of adjoining Lots and streets by a fence or appropriate screen approved by the Review Board. Nothing herein shall be deemed to apply to the storage on the Property by

Declarant or Participating Builder of building materials during, and for use in, the construction of the improvements on the Property.

Section 10. No radio or television receiving or transmitting antennae or external apparatus shall be installed on any Lot. Normal radio and television installations wholly within a building are excepted.

Section 11. All Owners and occupants shall abide by the By-laws and any rules and regulations adopted by the Association. Rules and regulations shall be adopted and enforced pursuant to the Virginia Property Owners' Association Act. Any Owner, his tenants, guests or other invitee who violates the restrictions of this Declaration or the rules and regulations adopted by the Board of Directors shall be assessed a charge pursuant to Section 55-513 of the Virginia Property Owners' Association Act.

Section 12. Any lease agreement between a Lot Owner and a lessee shall provide that the terms of the lease are subject in all respects to the provisions of this Declaration, and the Articles of Incorporation and Bylaws of the Association, and that any failure by the lessee to comply with the terms of such documents shall be a default under the lease. All such leases shall be in writing and shall be for a term of not less than six (6) months.

Section 13. None of the foregoing restrictions shall be applicable to the activities of:

(a) Declarant, its officers, employees, agents or assigns, in their development, marketing and sale of Lots or other parcels within the Property; or

(b) The Association, its officers, employees and agents, in connection with the proper maintenance, repair, replacement and improvement of the Common Areas and its facilities; or

(c) Any Participating Builder designated by the Declarant, its officers, employees, agents or assigns in their development, marketing and sale of Lots or other parcels within the Property.

Section 14. During reasonable hours the Declarant, any member of the Review Board, or member of the Board of Directors, or any other representative of any of them, shall have the right to enter upon and inspect any Lot for the purpose of ascertaining whether or not the provisions of these restrictions have been or are being complied with, and such persons shall not be deemed guilty of trespass by reason of such entry.

ARTICLE VII

Exterior Maintenance

Each Owner shall keep each Lot owned by him, and all improvements therein or thereon, in good order and repair and free of debris, including but not limited to the seeding, watering and mowing of all lawns, the pruning and cutting of all shrubbery, and the painting (or other appropriate external care) of all buildings and other improvements, all in a manner and with such frequency as is consistent with good property management. In the event an Owner of any Lot in the Property shall fail to maintain the Lot and the improvements situated thereon, as provided in the Bylaws and approved by vote of the Board of Directors, the Association shall have the right to enter upon said Lot to correct drainage and to repair, maintain and restore the Lot and the exterior of the buildings and any other improvements erected thereon. All costs related to such correction, repair or restoration shall become a lien upon such Lots and such lien may be enforced in the same manner as an annual assessment levied in accordance with Section 8, Article IV hereof. Any such lien shall be subordinate to the lien of any first mortgage or deed of trust. Sale or transfer of any lot shall not affect such lien. However, the sale or transfer of any Lot pursuant to mortgage or deed of trust foreclosure or any proceeding in lieu thereof, shall extinguish any such lien as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. No amendment to this Article VII shall affect the rights of the holder of any first mortgage on any Lot (or the indebtedness secured thereby); recorded prior to the recordation of such amendment unless the holder thereof shall join in the execution of such amendment.

ARTICLE VIII

Management

Section 1. Management Agent. The Board of Directors may (but shall not be required to) employ for the Association a management agent or manager (the "Management Agent") at a rate of compensation established by the Board of Directors to perform such duties and services as the Board of Directors shall from time to time authorize in writing. The Management Agent shall perform such duties and services as the Board of Directors shall authorize in writing.

Section 2. Duration of Management Agreement. In the event any management agent is employed, any management agreement entered into by the Association shall provide inter alia that such agreement may be terminated with or without cause by either party on thirty (30) days' written notice thereof to the other party. The term of any such management agreement may be renewable by mutual agreement of the parties for successive one (1) year periods.

Section 3. Limitation of Liability. The Association shall not be liable for any failure of any services to be obtained by the Association or paid for out of the common expense funds,

or for injury or damage to person or property caused by the elements or resulting from water which may leak or flow from any portion of the Common Areas or its facilities, or from any wire, pipe, drain, conduit or the like. The Association shall not be liable to any member for loss or damage, by theft or otherwise, of articles which may be stored upon the Common Areas or its facilities. No diminution or abatement of assessments, as herein elsewhere provided for, shall be claimed or allowed for inconvenience or discomfort arising from the making of repairs or improvements to the Common Areas or its facilities, or from any action taken by the Association to comply with any of the provisions of this Declaration or with any law or ordinance or with the order or directive of any municipal or other governmental authority.

ARTICLE IX

General Provisions

Section 1. Enforcement. The Association, or any Owner, or any mortgagee of any Lot shall have the right to enforce, by any proceeding at law and/or in equity, all restrictions, conditions, covenants, reservations, liens, charges or other obligations or terms now or hereafter imposed by the provisions of this Declaration, or the Articles of Incorporation or Bylaws of the Association. Failure by the Association or by any Owner or by any mortgagee of any Lot to enforce any covenant or restrictions herein contained or any provision of the Bylaws or Articles of Incorporation of the Association shall in no event be deemed a waiver of the right to do so thereafter. There shall be and there is hereby created and declared to be a conclusive presumption that any violation or breach or attempted violation or breach of any of the within covenants or restrictions or any provision of the Bylaws or Articles of Incorporation of the Association cannot be adequately remedied by action at law or exclusively by recovery of damages.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

Section 3. Duration. Except where permanent easements or other permanent rights or interests are herein created, the covenants and restrictions of the Declaration shall run with and bind the land for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of twenty (20) years each.

Section 4. Amendment. Subject to the other limitations set forth in this Declaration, this Declaration may be amended during the first twenty (20) years after it is recorded only by an instrument executed and acknowledged by not less than ninety percent (90%) of the Owners. After the first twenty (20) years this Declaration may be amended by an instrument executed and acknowledged by not less than seventy-five percent (75%) of the Owners. The amendment instrument shall be recorded among the Land Records for the jurisdiction in which this Declaration is recorded. Unless a later date is specified in any such instrument, any

amendment to this Declaration shall become effective on the date of recording; provided, however, that no amendment shall be effective unless it is executed by at least one Class A member, should there be any Class A members.

Section 5. Annexation. Additional lots or property described in Exhibit "B" attached hereto may be annexed to the Property within five (5) years of the date this Declaration is recorded without the consent of the Class A members of the Association, if any.

Any annexations made pursuant to this Section, or otherwise, shall be made by recording a Supplementary Declaration among the land records of Prince William County, which Supplementary Declaration shall extend the scheme of this Declaration to such annexed property or by the recordation of a deed of dedication or deed of subdivision for such additional property or any portion thereof which shall by its terms subject such additional property to the operation of the provisions of this Declaration. Such annexations need not be made by the Declarant; provided, however, that any such annexation accomplished by persons other than the Declarant shall have the consent of the Declarant. On the first day of the month following recordation of the above described Supplementary Declaration, deed of dedication or subdivision, all lots described in the Supplemental Declaration, deed of dedication or subdivision shall be assessed a pro rata share of the annual assessments and any special assessments then due.

Except as otherwise provided herein, annexations to the Property shall require the consent of two-thirds (2/3) of the Class A members.

Section 6. FHA-VA Approvals. Provided that there are then Class B memberships of the Association outstanding, and should any Lot be encumbered by a deed of trust guaranteed by the Veterans Administration or Federal Housing Administration, then neither the members, the Board of Directors nor the Association shall, by act or omission, take any of the following actions without the prior written consent or approval of the Federal Housing Administration or the Veterans Administration:

(a) make any annexation or additions other than as provided for pursuant to Section 5 of Article IX of this Declaration; or

(b) abandon, partition, dedicate, subdivide, encumber, sell or transfer any of the Common Areas or its facilities directly or indirectly owned by the Association; provided, however, that the granting of rights-of-way, easements and the like for public utilities or for other purposes consistent with the use of the Common Areas and its facilities by the members of the Association shall not be considered a transfer within the meaning of this Section 6; or

(c) abandon or terminate this Declaration; or

(d) modify or amend any provisions of this Declaration, the Bylaws or the Articles of Incorporation of the Association; or

(e) merge or consolidate the Association with any other entity or sell, lease, exchange or otherwise transfer all or substantially all of the assets of the Association in any other entity.

Section 7. Consents by Lenders. Any other provision of this Declaration or the Bylaws or Articles of Incorporation of the Association to the contrary notwithstanding, neither the Owners, the Board of Directors nor the Association shall, by act or omission, take any of the following actions without the prior written consent and approval of not less than two-thirds (2/3) in number of the holders of the first mortgages of record on the Lots:

(a) abandon, partition, alienate, release, hypothecate, dedicate, subdivide, encumber, sell or transfer any of the Common Areas or its facilities directly or indirectly owned by the Association; provided, however, that the granting of rights-of-way, easements and the like for public utilities or for other purposes consistent with the use of the Common Areas and its facilities by the members of the Association shall not be considered a transfer within the meaning of this Section 7; or

(b) abandon or terminate this Declaration; or

(c) modify or amend any substantive provision of this Declaration, or of the Bylaws or of the Articles of Incorporation of the Association; or

(d) merge or consolidate the Association with any other entity or sell, lease, exchange or otherwise transfer all or substantially all of the assets of the Association to any other entity; or

(e) substantially modify the method of determining and collecting assessments against an Owner or his Lot as provided in the Declaration; or

(f) waive or abandon any scheme of regulations, or enforcement thereof, pertaining to the architectural design or the exterior appearances of buildings or structures on the Lots, the exterior maintenance of buildings or structures on the Lots, or the maintenance of the Common Area; or

(g) fail to maintain fire and extended coverage on insurable Common Area on a current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value (based on current replacement cost); or

(h) use hazard insurance proceeds for losses to any Common Area for other than the repair, replacement or reconstruction of such Common Area.

Section 8. Additional Rights of Mortgagees - Notice. The Association shall promptly notify the holder of the first mortgage on any Lot for which any assessment levied pursuant to the Declaration, or any installment thereof, becomes delinquent for a period in excess of thirty

(30) days and the Association shall promptly notify the holder of the first mortgage on any Lot with respect to which any default in any other provision of this Declaration remains uncured for a period in excess of thirty (30) days following the date of such default. Any failure to give any such notice shall not affect the validity or priority of any first mortgage on any Lot and the protection extended in this Declaration to the holder of any such mortgage shall not be altered, modified or diminished by reason of such failure.

No suit or other proceeding may be brought to foreclose the lien for any assessment levied pursuant to this Declaration except after ten (10) days' written notice to the holder of the first mortgage on the Lot which is the subject matter of such suit or proceeding. If the Association employs a management agent and then subsequently undertakes "self-management," it shall promptly give written notice of such occurrence to all of the holders of first mortgages of record on the Lots.

Any first mortgagees of any Lot may pay any taxes, utility charges or other charges levied against Common Area which are in default and which may or have become a charge or lien against Common Area and any such first mortgagees may pay any overdue premiums on any hazard insurance policy or secure new hazard insurance coverage on the Common Area. Any first mortgagee who advances any such payment shall be due immediately reimbursement of the amount so advanced from the Association.

Section 9. Casualty Losses. In the event of substantial damage or destruction to the Common Area, the Board of Directors of the Association shall give prompt written notice of such damage or destruction to the holders of all first mortgages of record on the Lots. No provision of the Declaration or the Articles of Incorporation or the Bylaws of the Association shall entitle any member to any priority over the holder of any first mortgage of record on his Lot with respect to the distribution to such member of any insurance proceeds paid or payable on account of any damage or destruction of the Common Area.

Section 10. Condemnation or Eminent Domain. In the event any part of the Common Area is made the subject matter of any condemnation or eminent domain proceeding, or is otherwise sought to be acquired by any condemning authority, then the Board of Directors of the Association shall give prompt written notices of any such proceeding or proposed acquisition to the holders of all first mortgages of record on the Lots. No provision of this Declaration or the Articles of Incorporation or the Bylaws of the Association shall entitle any member to any priority over the holder of any first mortgage of record on his Lot with respect to the distribution to such member of the proceeds of any condemnation or settlement relating to a taking of the Common Area.

Section 11. Captions and Gender. The captions contained in this Declaration are for convenience only and are not a part of this Declaration and are not intended in any way to limit or enlarge the terms and provisions of this Declaration. Whenever the context so requires, the male shall include all genders and the singular shall include the plural.

ARTICLE X

Easements, Etc.

Section 1. General Easement. The Declarant and Association reserve the right and easement to the use of all Common Area, and any Lot or any portion thereof, as may be needed for repair, maintenance or construction on such Lot or any Lot or on any Common Area.

Section 2. Crossover Easement. If the Owner (including the Declarant) of any Lot must, in order to make responsible repairs or improvements to a building on his Lot, enter or cross any Common Area, or a Lot of another Owner, such Owner shall have an easement to do so, providing that said Owner shall use the most direct, feasible route in entering and crossing over such an area and shall restore the surface so entered or crossed to its original condition, at the expense of said Owner, and further provided that such easement shall not exist on the land of any other Lot Owner if the purpose for the entrance or crossing is one requiring, by virtue of Article V of this Declaration, approval of either the Board of Directors or the Architectural Committee of the Association, unless such approval has been given.

Section 3. Blanket Easement. An easement is hereby retained in favor of Declarant and the Association over the Lots and any Common Area for installation of landscaping, construction of a common cable television system, a common sprinkler, entrance sign or features, or any other item for the common enjoyment and/or benefit of the owners. An easement is further granted for the purpose of the repair and maintenance of any item so constructed. Any entry upon any Lot or any Common Area to effectuate the foregoing purposes shall not be deemed trespass. Each Owner covenants not to damage or destroy any portion of an item so constructed and shall hold the Association and/or Declarant harmless from the cost of repairing or replacing any portion damaged or destroyed by such owner, his family, his guests or invitee.

Section 4. Easement and Right of Entry of Law Enforcement Officials, Etc. An easement and right of entry through and upon the Property is hereby granted to law enforcement officers, rescue squad personnel, fire fighting and other emergency personnel of the jurisdiction in which the Property is located, and to vehicles operated by said personnel while in the pursuit of their duties. Said emergency personnel shall also have the right of enforcement of cleared emergency vehicle access on roadways and driveways on the Property.

Section 5. Utility Easements. Easements over the Property for the installation and maintenance of electric, telephone, cable television, water, gas, roof drains connected directly to storm sewer, drainage and sanitary sewer lines and facilities and the like are hereby reserved by Declarant, together with the right to grant and transfer the same. Declarant also reserves the right to enter onto the Common Area for the purpose of completing the improvements thereon, and on the Lots, and for the further purpose of carrying out repairs of any defects in workmanship or materials in the Property or the improvements thereon.

The rights and duties with respect to sanitary sewer and water, cable television, electricity, gas and telephone lines and facilities in favor of the Association shall be governed by the following:

(a) Whenever water, sanitary sewer, roof drains connected directly to storm sewer, electricity, gas, cable television or telephone connections, lines, cables or any portion thereof, are or have been installed within the Property, the Owner of any Lot, or the Association shall have the right, and are hereby granted an easement to the extent necessary thereof, to enter upon or have a utility company enter upon any portion of the Property in which said installation may lie, to repair, replace and generally maintain said installations.

(b) The right granted in Subparagraph (a), above, shall be only to the extent necessary to entitle the Owner or Association serviced by said installation to its full and reasonable use and enjoyment and provided further that any one exercising said right shall be responsible for restoring the surface of the easement area so used to its condition prior to such use.

(c) In the event of a dispute between Owners with respect to the repair or rebuilding of said connections, or with respect to the sharing of the cost thereof, upon written request of one of such Owners addressed to the Association, the matter shall be submitted to its Board of Directors, who shall decide the dispute, and the decision of the Board shall be final and conclusive on the parties.

Section 6. Drainage Easement. Each Owner covenants to provide such easements for drainage and water flow as the contours of the Property and the arrangement of buildings by Declarant thereon requires. Declarant reserves an easement over all Lots and Common Area for the purpose of correcting any drainage deficiency.

Section 7. Encroachment Easement. Each Lot within the Property is hereby declared to have an easement, not exceeding one foot (1') in width, over all adjoining Lots for the purpose of accommodating any encroachment due to engineering errors, errors in original construction, settlement or shifting of the building, roof overhangs, gutters, architectural or other appendages, sidewalks, draining of rain water from roofs, or any other similar cause. There shall be valid easements for the maintenance of said encroachments so long as they shall exist, and the rights and obligations of Owners shall not be altered in any way by said encroachment, settlement or shifting; provided, however, that in no event shall a valid easement for encroachment be created in favor of an Owner or Owners if said encroachment occurred due to the willful misconduct of said Owner or Owners. In the event a structure on any Lot is partially or totally destroyed and then repaired or rebuilt, the Owners of each Lot agree that minor encroachments over adjoining Lots shall be permitted and that there shall be valid easements for the maintenance of said encroachments so long as they shall exist.

Section 8. Storm Water Management Pond. If stormwater management ponds exist on the Property, the Association will maintain such storm water management ponds.

ARTICLE XI

Dissolution of Association

The Owners of Lots shall not dissolve or disband the Association, nor shall the Association dispose of any Common Area by sale, or otherwise, except to an organization conceived and organized to own and maintain the Common Area, without first offering to dedicate the same to the jurisdiction in which the Property is located, or such other appropriate governmental agency.

ARTICLE XII

Party Walls

The rights and duties of the Owners of Lots with respect to party walls shall be governed by the following:

Section 1. General Rules of Law to Apply. Each wall which is constructed as a part of the original construction on the Property and any part of which is placed on the dividing line between separate Lots, shall constitute a party wall, and with respect to such wall, each of the adjoining Owners shall assume the burdens, and be subject to an easement for that portion of a party wall on his Lot, and be entitled to the benefits of these restrictive covenants and, to the extent not inconsistent herewith, the general rules of law regarding party walls and of liability for property damage due to negligence or willful acts or omissions, shall apply thereto.

Section 2. Sharing of Repair and Maintenance and Destruction by Fire or Other Casualty. If any such party wall is damaged or destroyed by fire or other casualty or by some cause other than the act of one of the adjoining Owners, his agents, or family (including ordinary wear and tear and deterioration from lapse of time), then, in such event, both such adjoining Owners shall proceed forthwith to rebuild or repair the same to as good condition as formerly, in proportion to their respective use of the party wall.

Section 3. Repairs Caused by One Owner. If any such party wall is damaged or destroyed through the act of one adjoining Owner or any of his agents or guests or members of his family (whether or not such act is negligent or otherwise culpable) so as to deprive the other adjoining Owner of the full use and enjoyment of such wall, then the first of such Owners shall forthwith proceed to rebuild and repair the same to as good condition as formerly, without cost to the adjoining Owner.

Section 4. Other Changes. In addition to meeting the other requirements of these restrictive covenants, and of any building code or similar regulations or ordinances, any Owner proposing to modify, make additions to or rebuild his residence in any manner which requires

the extension or other alteration of any party wall, shall first obtain the written consent of the adjoining Owner.

Section 5. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article XII shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 6. Dispute. In the event of a dispute between Owners with respect to the repair or rebuilding of a party wall or with respect to the sharing of the cost thereof, then, upon written request of one of such Owners addressed to the Association, the matter shall be submitted to its Board of Directors, who shall decide the dispute, and the decision of such Board of Directors shall be final and conclusive upon the parties.
